URL to Heroku Deployment Site

Our Playful Plants app is available to install here: <https://playful-plant.herokuapp.com/>.

App Icon

We designed and created our Playful Plants app icon in Figma, which is shown below:

Team Member Contribution

Han Gao

- Helped design and create the app's icon in Figma
- Revised styling problems to ensure the app is fully responsive
- Edited the report for the submission

Kehui Guo

- Participated in designing and creating the app's icon
- Prepared the outline for the elevator pitch

Hang Jiang

- Helped design and create the app's icon in Figma

Hongxi Jin

- Participated in designing and creating the app's icon
- Published the app to the Heroku deployment site
- Debugged the camera functionality

Daisy Liu

- Helped design and create the app's icon in Figma
